

# SD-J-LD11

85W•125W•155W•210W

## FEATURES

- Corrosion resistant aluminium housing
- Powder coated
- High temperature resistant tempered glass lens
- Polished aluminium reflector

## SUPPORTED LAMPS

- 85 watt square
- 125 watt square
- 155 watt square
- 210 watt square

## APPLICATIONS

Street lighting, housing estates, parks and gardens etc...

Luminaire No	Lamp No	Wattage (W)	Psu Frequency (Hz)	Input Voltage (V)	Input Current (A)	Ingress Protection
